Donations going gangbusters, book sales doing great

Brenda has written no checks this year!

Total net income=\$9,000. Cash in bank=\$36,000. ** One person gave a \$100 donation to the Blacksburg branch because they said the library kept them sane during the pandemic. Kudos to the MFRL system and the Blacksburg staff.

\$2,000 donation for scholarship to be given by FOL to library staff member(s).

Thank you Karim. Note- we need to check and see if anyone has applied and been approved for the scholarship.

Treasurer's report approved- Linda P made motion, Sue H second

4. Garden Tour – Lynn

Lynn not able to attend but will submit a report.

5. Membership report – Sue and Linda G

Continuing issues with the mysterious incorrect forms but it is assumed that they no longer are being circulated

Three people indicated interest in their form of volunteering. Janice will contact.

Suggestion that the all volunteers at the book sale this weekend suggest to purchasers that membership is worth their investment. Perhaps slip one of the HOW FRIENDS HELP THE LIBRARY sheets into each bag/book purchased

The numbers as of 4/20- numbers in parentheses are last month's figures
