The Treasurer's report was given by Sam Hicks, Treasurer. We have total assets of 42,324.04. The report was approved.

Lynn Brammer presented the idea that we have a plaque made, to be displayed in the Blacksburg Library, to honor Jo Brown's many years of heading the FOL Garden Tour. The cost will be @\$300. Individuals may contribute to this, and the Board can cover any amount left over. This was approved by the Board.

Garden Tour: The July 2018 Garden Tour was a great success. 602 tickets were sold. There were 5 sponsors at \$200. It was a beautiful day, and the gardens were lovely. Everyone seemed to enjoy the day. All of the Garden Tour notecards, that we had to sell that day, sold!

Hospitality: Phyllis reported that many people who volunteer to help with refreshments often do not. How can we address this?

Membership: As of now, we have 121 family memberships, 115 individual ones, and 11 business memberships. Also, we had 63 additional donations. Ken would like to see us have a presence at local events such as Steppin' Out and Wilderness Day.

Linda Powers reported that there will not be a Basket Auction this year, as no one would volunteer to Chair the event.

The meeting was adjourned at 3:45.

Our next meeting will be August 21, 2018 at the Meadowbrook Library. at 3:00.
